

Service AMC / Package Designer

Automotive & Mobility

Document type: Plan / SOP / strategy / guide · Generated 28 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Design service AMC and prepaid maintenance packages that lock in retention — packages with inclusions, duration, price and value versus pay-as-you-go, the retention benefit, and the economics (margin and cash flow). Fill in your details below.

Purpose of this tool & output

Prepaid service packages that lock retention

How the output is used

Use the designer to build prepaid service packages (AMC) that lock service retention.

Important cautions

AI-generated packages; validate against your service costs.
