

Auto Business Case / Loan Note

Automotive & Mobility

Document type: Financial model / analysis · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a funding-ready business case for a bank, MSME loan or investor — executive summary, investment break-up, projected financials (revenue, margin, payback, ROI), the funding ask and risks with mitigation. Fill in your details below.

Purpose of this tool & output

A funding case for a dealership or workshop

How the output is used

Use the case to present a funding-ready business case for a dealership or workshop to a bank or investor.

Who should vet it

A CA, to validate the projections before it goes to a lender.

Important cautions

AI-generated draft; projections are illustrative, validate before submission.
