

Job Card & Estimate Builder

Automotive & Mobility

Document type: Plan / SOP / strategy / guide · Generated 28 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Generate a clear job card and transparent estimate — vehicle and customer details, reported issues, observations, work to do with parts, labour and per-item estimates, a total, and a customer-approval note before extra work. Fill in your details below.

Purpose of this tool & output

Clear job cards and transparent estimates

How the output is used

Use the builder to issue clear job cards and transparent estimates that build customer trust.

Important cautions

AI-generated template; confirm actual diagnosis and costs.
