

Instructor & Examiner Management Guide

Aviation & Air Services

Document type: Plan / SOP / strategy / guide · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Builds a plan to recruit, standardise and manage flight or ground instructors and examiners — qualifications, standardisation, currency, records and retention — for training quality and safety. Use it to run the instructor cadre.

Purpose of this tool & output

Manage instructors and standardisation

How the output is used

Use it to manage instructors and examiners — standardisation, currency, records and the quality controls a training organisation needs.

Important cautions

Instructor qualification, standardisation and currency are safety- and CAR-critical for training quality. Confirm the current instructor requirements with DGCA and maintain rigorous standardisation and records.
