

Student Recruitment & Counselling Plan

Aviation & Air Services

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Builds a student-recruitment and counselling plan for a flying school or aviation academy — marketing, honest counselling on cost and career, admissions, financing and conversion. Use it to fill batches responsibly.

Purpose of this tool & output

Recruit students ethically and effectively

How the output is used

Use it to recruit students ethically and effectively — honest counselling, realistic career and cost information and a clean admissions process.

Important cautions

Aviation training involves very large student outlays and mis-selling career or placement prospects is unethical and reputationally and legally risky. Counsel students honestly on cost, duration, medical and licensing and job-market realities.
