

UDAN / Regional Connectivity Guide

Aviation & Air Services

Document type: Plan / SOP / strategy / guide · Generated 13 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Explains the UDAN regional connectivity scheme (RCS) — how it works, bidding for routes, viability-gap funding, obligations and risks — for operators eyeing regional routes. Use it to evaluate and pursue UDAN opportunities.

Purpose of this tool & output

Access the UDAN regional connectivity scheme

How the output is used

Use it to access the UDAN regional connectivity scheme — eligibility, routes, viability-gap support and the bidding approach for regional operations.

Important cautions

UDAN scheme terms, rounds, VGF and obligations change with each version and carry real traffic and obligation risk; VGF is not a guarantee of profit. Confirm the current scheme terms and obligations with the Ministry and airports authority before bidding.
