

Content Strategy Builder

Banking, Finance & Fintech

Document type: Plan / SOP / strategy / guide · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Builds a content strategy for a financial-services business or advisor — content pillars (education, planning, product basics, market context, FAQs), formats (posts, videos, newsletters, calculators), a weekly calendar and a compliance guardrail (educational, no tips or assured returns). Use this for a broad plan. For platform-specific post ideas use the Social Content Planner.

Purpose of this tool & output

Build trust with financial content

How the output is used

Use the builder to build trust with compliant financial content that educates and attracts.

Important cautions

AI-generated strategy; keep content educational and compliant.
