

Payment Gateway Selection

Banking, Finance & Fintech

Document type: Plan / SOP / strategy / guide · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Helps a business select a payment gateway or aggregator — comparing on success rate, MDR and pricing, settlement time, payment methods, integration, support and compliance — with a test-and-compare approach and negotiation levers on MDR and settlement. Use this to pick the right partner. To then integrate it use the UPI & Payments Integration Guide.

Purpose of this tool & output

Pick the right payment partner

How the output is used

Use the guide to pick the right payment partner on cost, success rate, settlement and support.

Important cautions

AI-generated guide; compare live terms with providers.
