This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Builds a performance review kit for a financial-services business — a balanced scorecard across business metrics, quality and persistence, compliance and conduct, client feedback and development — so reviews reward good conduct, not volume alone. Use this for fair, balanced appraisals. To tie rewards to it use the Sales Incentive Scheme.

Purpose of this tool & output
