

Team Skill & Certification Matrix

Banking, Finance & Fintech

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Builds a skill and certification matrix for a financial-services team — by person or role, their products, certifications and gaps — with a compliance note (certified staff for regulated activities) and a training plan. Use this to see coverage and gaps at a glance. For what each role legally needs use the Certification & Licensing Guide.

Purpose of this tool & output

Track skills, certifications and coverage

How the output is used

Use the builder to track skills, certifications and coverage across the team.

Important cautions

AI-generated matrix; ensure required certifications are valid.
