

Labour & Statutory Compliance

Building Materials & Hardware

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Explains labour and statutory compliance for a building-materials employer — Shops & Establishment, PF/ESI, professional tax, minimum wages, and safety duties for loaders/godown workers — so you are a compliant employer. Use it to set up HR compliance. For the calendar use the Compliance Calendar.

Purpose of this tool & output

Meet employer duties for staff and loaders

How the output is used

Use it to meet employer duties for staff and loaders — wages, hours, safety and the statutory registrations a store employer must keep.

Important cautions

Loaders and godown workers face real injury risk; ensure ESI/insurance and safety. Thresholds and state rules vary — consult a labour consultant.
