

TREM Card Generator

Chemicals & Process Industry

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Generate a Transport Emergency (TREM) card for a hazardous chemical consignment — hazards, emergency actions, first-aid, spillage and firefighting, and contacts — to carry with the vehicle. Describe the chemical below.

Purpose of this tool & output

Emergency info card for a consignment

How the output is used

Use it to produce a TREM (transport emergency) card for a consignment — the emergency information the driver and responders need.

Important cautions

AI-generated TREM card; verify UN classification and emergency data against the SDS before use.
