

Data Processing Agreement (DPA)

Consulting & Professional Services

Document type: Contract / agreement · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft a DPDPA-aligned Data Processing Agreement for when you handle personal data on a client behalf — roles, purpose and scope, security measures, sub-processors, breach notification, data return or deletion, and audit rights. Align to the DPDP Act and have it reviewed. Fill in your details below.

Purpose of this tool & output

Handle client data compliantly

How the output is used

Use the draft for a data-processing agreement (DPA) to handle client personal data compliantly under DPDPA.

Who receives it

The data fiduciary (client) and the processor (your firm) — both sign; a copy each.

Fees & charges

Stamp duty per your state; there is no government filing.

Who should vet it

A data-protection lawyer, for the purpose, security, sub-processor and breach clauses.

Important cautions
