

Community Update Drafter

Crypto & Web3

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Drafts a transparent community/holder update — TL;DR, shipped items, metric highlights, governance, what is next and community asks — in a no-hype tone. Use this for a regular post; for a formal quarterly report use the Token Investor Relations Report.

Purpose of this tool & output

Write a holder/community update

How the output is used

Use the drafter to write a clear holder/community update on progress, changes and what is next.

Important cautions

AI-generated draft; verify facts; avoid price/return promises.

Companion documents
