

Dairy FPO / Cooperative Formation Guide

Dairy, Poultry & Livestock

Document type: Plan / SOP / strategy / guide · Generated 29 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Produces a roadmap to form a dairy FPO or cooperative — structure, registration, member mobilisation, governance, business model and scheme support. Use it to organise producers for scale and better price. For a milk supply contract use the Milk Supply Agreement (D11).

Purpose of this tool & output

Organise farmers into an FPO or cooperative

How the output is used

Use it to organise farmers into an FPO or cooperative — the structure, registration and benefits of collective milk and input business.

Important cautions

FPO and cooperative routes differ in governance, tax and funding — choose per your goals. Success depends on strong governance and payment discipline. Confirm current registration rules and FPO-promotion scheme support with NABARD/SFAC/NDDB or state authorities.
