

Farm Labour Compliance Guide

Dairy, Poultry & Livestock

Document type: Plan / SOP / strategy / guide · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Produces a labour-compliance guide for a farm/dairy/poultry employer — wages, hours, records, safety and applicable registrations as you grow. Use it to employ workers correctly. For the worker contract use the Farm Labour Agreement (D11).

Purpose of this tool & output

Employ farm workers legally

How the output is used

Use it to employ farm workers legally — wages, hours, safety and the registrations a farm employer must keep.

Important cautions

Minimum wages and statutory thresholds (EPF/ESI) vary by state and headcount and change over time. Pay at least the state minimum, keep wage records, and confirm current registration thresholds locally.

Companion documents

- Dairy / Livestock Compliance Roadmap
- FSSAI & Milk Safety Compliance Guide
- Pollution Control Consent Guide
- Animal Welfare & Transport Compliance
- Milk Quality & Anti-Adulteration Guide
- Poultry / Livestock Disease Compliance

This is AI-assisted guidance. Verify with a qualified professional before any binding decision. Fees, authorities and processes vary by state and change over time — confirm with your state authority.
