

# Scholarship & Financial Aid Matching

EdTech & Training

Document type: Financial model / analysis · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

## Background

Matches a student profile to eligible central, state and minority scholarships via the National Scholarship Portal framework, with amounts, portals, documents and an application priority order. Use this to find schemes a student qualifies for. To then apply, use NSP Application Guide.

## Purpose of this tool & output

Describe the student profile and we match eligible NSP and government scholarships

## How the output is used

Use the match to shortlist the NSP and government scholarships a student is likely eligible for.

## Who should vet it

A scholarship counsellor, to confirm eligibility against the current scheme rules.

## Important cautions

AI-generated scholarship guidance using NSP data framework. Verify current open schemes and deadlines at [scholarships.gov.in](https://scholarships.gov.in) as application windows change annually.
