Coaching, Tuition & Test-Prep

Document type: Plan / SOP / strategy / guide · Generated 26 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a guide/rubric to evaluate student answers (especially subjective/Mains-style) and give feedback that improves them — marking scheme, common errors, and constructive comments — for consistent, developmental evaluation. Describe the context below.

Purpose of this tool & output

Evaluate answers to actually improve students

How the output is used

Use it to evaluate answers to actually improve students — a feedback approach that shows how to gain marks, not just the score.

Important cautions

AI-generated rubric; align to the exam marking pattern and keep feedback developmental.
