

Content Licensing Agreement

Coaching, Tuition & Test-Prep

Document type: Contract / agreement · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft a content licensing agreement — licensing course content, question banks, or a platform to/from another institute or partner — covering scope, fees, IP, usage limits and confidentiality. Fill in the terms below.

Purpose of this tool & output

License courses, content or a platform

How the output is used

Use the draft to license courses, content or a platform — scope, fees, IP, restrictions and term — then have a lawyer review it.

Who receives it

The agreement is between the content owner (licensor) and the licensee; each keeps a signed copy.

Fees & charges

Stamp duty per your state stamp act; GST applies to the licence fee as per law.

Who should vet it

An IP or commercial lawyer, to check the IP, usage-restriction and liability clauses before signing.

Important cautions

AI-generated draft; protect against content piracy and have a lawyer review before signing.
