This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a faculty evaluation framework — the criteria (student outcomes, feedback, observation, coverage, conduct), how to measure and weight them fairly, and how to use it for development and decisions. Describe your context below.

Purpose of this tool & output

Assess teaching fairly and usefully

How the output is used

Use it to assess teaching fairly and usefully — a faculty evaluation framework based on outcomes and feedback.

Important cautions

AI-generated framework; balance metrics fairly and use evaluation for growth, not just judgment.
