

EC Compliance Report

Environment & Waste Management

Document type: Letter / notice · Generated 15 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a structure and content guide to prepare the half-yearly EC compliance report — condition-wise compliance status, monitoring data and evidence — for submission to the regulator, for a project holding EC. Describe the project below.

Purpose of this tool & output

Report compliance with EC conditions

How the output is used

Use it to report compliance with EC conditions — the periodic EC compliance report that a cleared project must submit on time.

Who receives it

The report goes to the MoEFCC Regional Office and the SPCB (and is uploaded on PARIVESH), for the reporting period.

How to submit / file it

Compile the status against each EC condition with monitoring data and photographs, and submit the half-yearly compliance report through PARIVESH within the due date.

Who should vet it

An environmental consultant or auditor, to verify the compliance status and monitoring data before submission.

Important cautions

AI-generated structure; use actual monitored data and your specific EC conditions.
