

E-Waste EPR Compliance Guide

Environment & Waste Management

Document type: Plan / SOP / strategy / guide · Generated 29 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a guide to E-Waste EPR for a producer/importer of electronics — registration, EPR targets, collection and channelisation to registered recyclers, and returns — under the E-Waste (Management) Rules 2022. Describe your situation below.

Purpose of this tool & output

Meet e-waste producer obligations

How the output is used

Use it to meet e-waste producer obligations — the EPR duties, targets and recycler tie-ups under the E-Waste Rules.

Important cautions

AI-generated guide; confirm current targets and process on the CPCB e-waste portal.
