This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a guide to obtaining a fire-safety NOC for an event or temporary structure — requirements, fire-fighting and exit arrangements, documents and inspection — so the venue and setup are fire-compliant. Describe the event below.

Purpose of this tool & output

Meet fire-safety norms for events

How the output is used

Use it to meet fire-safety norms for events — the fire NOC, exits, extinguishers and arrangements the fire department requires.

Who receives it

The application goes to the local Fire Department / fire service for a temporary event fire NOC.

How to submit / file it

Apply with the venue layout, occupancy, exits, fire-fighting arrangements and electrical safety; the fire department inspects the arrangements before granting the NOC.

Fees & charges

A fire NOC fee set by the local authority; the real cost is the extinguishers, exits and safety arrangements required.

Who should vet it

The Fire Department, which inspects the exits, extinguishers and layout before granting the NOC.

Important cautions
