

Crew Management & Sharing Guide

Fisheries & Aquaculture

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Helps set up crew management for a fishing vessel — recruitment, catch-sharing or wage systems, welfare, safety and records — fairly and legally. Use it to run a stable crew.

Purpose of this tool & output

Manage crew, wages and catch-sharing

How the output is used

Use it to manage crew, wages and catch-sharing — a crew management and sharing guide that keeps crews fair and stable.

Important cautions

Crew arrangements should comply with applicable labour and fishermen-welfare rules; catch-share terms vary widely by region. Put terms in writing, keep advances controlled and confirm insurance and scheme eligibility.
