

Swiggy / Zomato Onboarding Guide

Food Service, Restaurants & Cloud Kitchens

Document type: Plan / SOP / strategy / guide · Generated 13 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Produces an aggregator-onboarding plan — registration and documents, menu and listing setup, commission and payout understanding, and go-live readiness for Swiggy/Zomato (and ONDC). Use it to get listed right. For growing rank/sales use the Aggregator Optimization tool.

Purpose of this tool & output

Get listed and set up on aggregators

How the output is used

Use the guide to get listed and set up on Swiggy/Zomato correctly.

Important cautions

Aggregators charge ~18-30% commission plus fees — price delivery to absorb it and reconcile payouts carefully (deductions add up). Keep FSSAI/GST valid and build a strong photo/description listing at onboarding. Terms and commissions change; confirm current rates.
