

Supplier / Vendor Agreement

Food Service, Restaurants & Cloud Kitchens

Document type: Contract / agreement · Generated 13 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Drafts a supplier/vendor agreement with discrete terms — supply scope, pricing, quality, delivery, payment and food-safety warranties — for a regular ingredient or service supplier. Use it to formalise supply. Fill each term separately.

Purpose of this tool & output

Contract an ingredient or service supplier

How the output is used

Use the draft to contract an ingredient or service supplier — quality, price, delivery and payment.

Who receives it

The restaurant and the supplier — both sign; a copy each.

Fees & charges

Stamp duty per your state if it creates a stampable obligation; GST as applicable.

Who should vet it

A lawyer, for higher-value or exclusive supply contracts.

Important cautions

Template for guidance, not legal advice. For food supply, quality/food-safety standards, rejection rights and the supplier holding required FSSAI/licences protect the outlet. Confirm perishable quality terms. Have a lawyer review for major supply contracts.
