This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Drafts a showroom franchise agreement between your brand and a franchisee, from your discrete commercial terms. Use it to formalise franchising. For dealers use the Dealer / Distributor Agreement.

Purpose of this tool & output

Draft a furniture showroom franchise contract

How the output is used

Use the draft for a furniture showroom franchise contract — fees, territory, standards, supply, brand use and term with discrete terms — reviewed by a lawyer.

Who receives it

The agreement is between the franchisor and the franchisee; each keeps a signed copy.

Fees & charges

Stamp duty per your state stamp act where applicable; the franchise fee, royalty, territory and supply terms are the key commercial content.

Who should vet it

A franchise lawyer, to check the fee, royalty, supply-lock-in and termination clauses before signing.

Important cautions

This is a draft using your inputs, not legal advice. Franchise fee, supply pricing, minimum orders, brand standards and post-termination stock and de-branding terms are critical. Have a lawyer review and adapt it, and ensure disclosure and fairness before signing.
