

Referral & Loyalty Program

Furniture & Home Furnishings

Document type: Plan / SOP / strategy / guide · Generated 29 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Designs referral and loyalty programs for a furniture business — customer referrals, designer incentives, repeat and review rewards — to grow low-cost sales. Use it to drive referrals and repeat. For designer networks use the Interior Designer / Architect Referral Network tool.

Purpose of this tool & output

Turn happy customers into repeat and referrals

How the output is used

Use it to turn happy customers into repeat and referrals — a referral and loyalty program that rewards advocacy.

Important cautions

Referrals and the designer channel are the cheapest, highest-converting furniture sales sources — but they are earned by great delivery and service, not just rewards. Structure designer incentives transparently and lawfully. Keep referral mechanics simple and pay reliably.
