This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Explains Shops & Establishment registration and municipal trade licence for a furniture showroom or shop — applicability, process, records and renewals. Use it to register the outlet. For the full list use the Furniture Licensing Roadmap.

Purpose of this tool & output

Register your showroom or shop

How the output is used

Use it to register your showroom or shop — the Shops and Establishment and trade licence a furniture showroom needs.

Who receives it

The State Labour Department (Shops & Establishment authority) / municipal body.

How to submit / file it

Register online on the state labour portal within the prescribed days of starting, with establishment and employee details.

Fees & charges

A state-specific fee based on employee count; renewal rules vary by state.

Who should vet it

A local labour-law consultant; requirements differ by state.

Important cautions

Shops and Establishment and municipal trade-licence rules vary by state and municipality, and a showroom with combustible furniture stock should meet fire-safety expectations. Confirm the specifics and any local permissions with your municipal authority.
