How the output is used

Use it to run a cafe within licences and rules — the trade, cyber-cafe, age and safety compliance a gaming cafe must meet.

Important cautions

Gaming-cafe licensing (trade/shop, any gaming/amusement or cyber-cafe registration, FSSAI for food, music licensing, fire NOC) and rules on minors vary significantly by state and city — confirm exact requirements with local authorities. Do not facilitate any real-money gambling. This is general guidance, not legal advice.
