

Online Gaming Rules Compliance Guide

Gaming, Esports & Digital Entertainment

Document type: Plan / SOP / strategy / guide · Generated 26 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Produces a compliance guide to the IT online-gaming framework — permissible online real-money games, self-regulatory body (SRB) expectations, due-diligence, grievance and content obligations. Use it to map your regulatory obligations. For state bans use the State Law Mapping tool.

Purpose of this tool & output

Comply with India online-gaming regulation

How the output is used

Use it to comply with India online-gaming regulation — the applicable IT rules, obligations and evolving framework for online games.

Important cautions

The IT online-gaming framework is evolving and being operationalised, and it applies **ALONGSIDE** state gambling laws — the current position must be tracked with specialist gaming lawyers. Wagering/betting games are not permissible. This is general guidance, not legal advice.
