

Responsible Gaming Policy

Gaming, Esports & Digital Entertainment

Document type: Policy · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Produces a responsible-gaming policy and safeguards for an RMG/fantasy platform — deposit/time limits, self-exclusion, age controls, addiction messaging and vulnerable-player protection. Use it to build player-protection controls expected by regulators and SRBs. For KYC/AML use the KYC & AML Framework.

Purpose of this tool & output

Protect players and meet responsible-play norms

How the output is used

Use it as a responsible-gaming policy — deposit limits, self-exclusion, age checks and player-protection measures the platform commits to.

Who receives it

It is a platform policy owned by the operator, applied to all players and often disclosed publicly and to regulators/self-regulatory bodies.

Important cautions

Responsible-gaming safeguards (age enforcement, deposit/time limits, self-exclusion, addiction awareness) are expected under India online-gaming self-regulation/IT rules and protect vulnerable players. Implement and audit them genuinely. Confirm current responsible-gaming requirements with legal/compliance advisors.
