This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a guide to consumer-protection obligations for jewellers — accurate representation (purity, weight, stones), hallmarking consumer rights, transparent pricing and exchange, and complaint redressal — to avoid consumer disputes and penalties. Describe your business below.

Purpose of this tool & output

Meet consumer-law obligations

How the output is used

Use it to meet consumer-law obligations — purity, weight, disclosure and return duties a jeweller owes the customer.

Important cautions

AI-generated guide; misrepresentation and sub-standard purity carry legal liability - be accurate and transparent.
