

Cleanliness & Home-Respect Standards

Home & Repair Services

Document type: Plan / SOP / strategy / guide · Generated 13 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Defines cleanliness and home-respect standards — shoe covers, floor protection, containing mess, cleaning up after work, and respectful conduct in the customer home — so customers feel their home is respected, a huge trust and repeat driver. Use it to set field conduct. For the SOP use the Service Delivery SOP.

Purpose of this tool & output

Leave the home cleaner than you found it

How the output is used

Use it to leave the home cleaner than you found it — cleanliness and home-respect standards that customers notice and value.

Important cautions

Customers remember whether you respected their home as much as whether you fixed the problem; shoe covers, floor protection and thorough cleanup drive trust, reviews and repeat business.

Companion documents
