

LWF Applicability Matrix

HR & WorkTech

Document type: Plan / SOP / strategy / guide · Generated 16 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Provides a Labour Welfare Fund applicability, contribution and frequency matrix by state (several states have no LWF). Use it to get LWF deductions and deposits right. For the full multi-state picture, use the Multi-State HR Compliance Checker.

Purpose of this tool & output

Labour Welfare Fund contributions by state

How the output is used

Use it to get Labour Welfare Fund (LWF) contributions by state — amounts and due dates for the states you operate in.

Important cautions

AI-generated matrix; confirm current amounts with state welfare boards.

Companion documents

- Multi-State HR Compliance Checker
- Shops & Establishment Registration Guide
- State Leave Entitlement Calculator
- Contract Labour (CLRA) Compliance
- Maternity Benefit Compliance
- State Minimum Wage Checker

This is AI-assisted guidance. Verify with a qualified professional before any binding decision. Fees, authorities and processes vary by state and change over time — confirm with your state authority.
