

E&S Wholesale Submission Package

Insurance

Document type: Plan / SOP / strategy / guide · Generated 15 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Produces a complete specialty/surplus-lines market submission — an underwriter risk narrative, supplemental Q&A, coverage specifications and a marketing strategy — for a hard-to-place risk. Use it to take a specialty risk to market. For the narrative alone, use the Risk Narrative Builder.

Purpose of this tool & output

Describe your risk and we draft a complete surplus-lines submission package

How the output is used

Use the builder to draft a complete E&S surplus-lines submission package that markets can quote fast.

Important cautions

AI-generated submission. Review with a licensed surplus-lines broker before submitting to markets.
