

Interior / Design Business Setup Guide

Interior Design & Architecture

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a practical, phased plan to start an interior-design or architecture practice in India — positioning, registrations, team and vendor network, tools, and go-to-market — with sequence, approximate costs and timelines. Describe your plan below.

Purpose of this tool & output

Start an interior or design practice

How the output is used

Use it as your first roadmap to start an interior or design practice — the model, services, team and registrations, then move to the full plan.

Important cautions

AI-generated plan; architects must be COA-registered to use the title - confirm registrations.
