

Interior Design Brief

Interior Design & Architecture

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Create a structured interior design brief — the space, users and lifestyle, style and preferences, functional needs, budget and timeline — so design starts from a clear, agreed brief. Describe the project below.

Purpose of this tool & output

Capture what the client really wants

How the output is used

Use it to capture what the client really wants — a design brief that records needs, style, budget and constraints upfront.

Important cautions

AI-generated brief; confirm with the client and refine as design develops.
