

Design Presentation Structure

Interior Design & Architecture

Document type: Plan / SOP / strategy / guide · Generated 15 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a structure and content plan for an interior design presentation — flow from concept to visuals, materials and budget, and the sign-off ask — so the client understands, loves and approves the design. Describe the project below.

Purpose of this tool & output

Present the design and get sign-off

How the output is used

Use it to present the design and get sign-off — a presentation structure that walks the client to a confident yes.

Important cautions

AI-generated structure; pair with actual visuals and material samples.
