

Mood Board / Concept Brief

Interior Design & Architecture

Document type: Plan / SOP / strategy / guide · Generated 29 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Create a mood board and concept-direction brief for an interior project — the theme, palette, materials and textures, and reference direction — to align the client on look-and-feel before detailed design. Describe the vision below.

Purpose of this tool & output

Set the visual direction with the client

How the output is used

Use it to set the visual direction with the client — a mood board and concept brief that aligns everyone on the look.

Important cautions

AI-generated concept; pair with actual reference images and samples for client sign-off.
