

Design & Site Team Structure

Interior Design & Architecture

Document type: Plan / SOP / strategy / guide · Generated 26 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a team structure for an interior/design firm — how to split design, project management and site execution, ratios and responsibilities, and when to hire vs outsource — sized to your project load. Describe your firm below.

Purpose of this tool & output

Structure design and execution teams

How the output is used

Use it to structure design and execution teams — a team structure that separates and links design and site delivery.

Important cautions

AI-generated structure; adapt to your project load and model.

Companion documents
