

Zoning & Functional Planning

Interior Design & Architecture

Document type: Plan / SOP / strategy / guide · Generated 16 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a zoning plan for a larger space or open plan — dividing it into functional zones (living, dining, work, play), defining boundaries (rugs, levels, partitions), and flow — so an open space works hard without feeling cluttered. Describe the space below.

Purpose of this tool & output

Divide the space into working zones

How the output is used

Use it to divide the space into working zones — a zoning and functional planning approach that groups activities sensibly.

Important cautions

AI-generated zoning; validate with measured drawings.
