Document type: Financial model / analysis · Generated 13 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a side-by-side key-term summary of a foreign-language contract — parties, term, payment, liability, termination and governing law, with the original gist and a translated summary, plus red flags. This is a working summary, not a certified translation. Paste the contract below.

Purpose of this tool & output

Side-by-side key-term summary of a foreign-language contract

How the output is used

Use it to compare a foreign-language contract side by side — a bilingual key-term summary so you grasp the terms before you sign.

Who should vet it

A certified translator or lawyer, to confirm the summary against the original where the contract is material.

Important cautions

AI-generated summary, not a certified legal translation; for official use, get a certified translator.
