

Contract Review & Risk Flagging

Legal

Document type: Financial model / analysis · Generated 13 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Paste any contract and get a clause-by-clause risk review from your side of the deal — unfair terms, missing protections and unusual provisions flagged by severity, each with the problematic text and a suggested redline, plus your top negotiation priorities. Use this to REVIEW a contract you have received or drafted.

Purpose of this tool & output

Upload any contract and get clause-by-clause risk flags and suggested redlines

How the output is used

Use it to understand and de-risk a contract before you sign — a clause-by-clause read that flags one-sided terms and suggests redlines.

Who should vet it

A lawyer, to confirm the flagged risks and redlines against your commercial position before you sign.

Important cautions

AI-generated legal analysis. Review with a qualified lawyer before signing.
