

Cross-Border Data Transfer Assessment

Legal

Document type: Financial model / analysis · Generated 15 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Check the legality of sending personal data abroad — the DPDPA position, sectoral flags like RBI payment-data localisation, any GDPR overlap for EU users, and recommended safeguards. Fill in the details below.

Purpose of this tool & output

Check the legality of sending personal data abroad

How the output is used

Use it to check whether you can send personal data abroad — an assessment of the transfer against DPDPA and destination rules.

Who should vet it

A privacy lawyer, to confirm the transfer legality and safeguards before you move data abroad.

Important cautions

AI-generated assessment; confirm current restrictions with a lawyer.
