This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Summarise a deed or affidavit in another language — capturing the parties, subject matter, key covenants and obligations, and a plain summary. A working summary, not a certified translation. Paste the document below.

Purpose of this tool & output

Summarise a deed or affidavit in another language

How the output is used

Use it to grasp a deed or affidavit in another language — a summary of the key terms and obligations before you rely on it.

Who should vet it

A certified translator or lawyer, to confirm the summary against the original deed/affidavit where it is material.

Important cautions

AI-generated summary, not a certified translation; use a certified translator for official filing.
