This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Plan the handover of your crypto and online accounts — an inventory template, a secure access-handover method that never exposes keys in the will, the legal treatment, and how to reference digital assets in your will. Fill in the details below.

Purpose of this tool & output

Plan handover of crypto and online accounts

How the output is used

Use it to plan handover of digital assets — a plan for crypto, online accounts and passwords so heirs can actually access them.

Important cautions

AI-generated plan; consult a lawyer and secure keys carefully.
