This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft a comprehensive employee handbook for an Indian company — covering statutory requirements (leave, POSH, working hours, notice) plus modern workplace policies — tailored to your state, work model and any special policies. Enter your company details below.

Purpose of this tool & output

Describe your company and we draft a comprehensive employee handbook for India

How the output is used

Use it to give staff one clear rulebook — a comprehensive India employee handbook covering policies, conduct and benefits.

Important cautions

AI-generated handbook. Have a labour law attorney review before distributing, especially for state-specific Shops & Establishment Act compliance.
