This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft a working framework for a family-law document — separation agreement, parenting plan, maintenance or property division — under the correct Indian personal law, with clear [FILL IN] markers and the mandatory steps a lawyer must complete. Describe your situation below.

Purpose of this tool & output

Describe your situation and we draft separation agreement / parenting plan frameworks

How the output is used

Use it to frame the documents a family matter needs — separation agreement or parenting-plan frameworks to take to a lawyer.

Important cautions

AI-generated framework only. Family law documents have serious legal consequences. You **MUST** engage a qualified family lawyer before signing or filing anything.
