

Gig / Freelancer Contract

Legal

Document type: Contract / agreement · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft a per-task freelancer contract under Indian law — scope, fee and milestones, revisions, IP assignment on full payment, confidentiality and independent-contractor status — with payment-protection for the freelancer. Fill in the details below.

Purpose of this tool & output

Draft a per-task freelancer contract

How the output is used

Use the draft to engage a freelancer per task — scope, deliverable, fee, IP and payment for a gig without an employment link.

Who receives it

The contract is between the client and the freelancer; each keeps a signed copy.

Fees & charges

Usually on plain or nominal stamp paper; the deliverable, fee and IP-transfer terms are the key content.

Who should vet it

A lawyer, to keep the IP-transfer and contractor-status clauses sound for a gig engagement.

Important cautions

AI-generated draft; a lawyer should review for significant engagements.
